3.4 Limitation on Exercise of Powers. The powers of the Association shall be subject to and shall be exercised in accordance with the provisions of the Condominium Act, the Declaration of Condominium, these Articles of Incorporation and the Association Bylaws.

3.5 Emergency Powers. For purposes of this Article 3.5 only, an emergency exists during a period of time that the Condominium, or the immediate geographic area in which the Condominium is located, is subjected to: a state of emergency declared by civil or law enforcement authorities; a hurricane watch or warning as issued by a governmental authority; a partial or complete evacuation order issued by civil or law enforcement authorities; the declaration of a federal or state "disaster area" status; or catastrophe, whether natural or manmade, which seriously damages, or threatens to seriously damage the physical existence of the Condominium. During an emergency as defined herein, the Board of Directors may exercise the following emergency powers:

A. Conduct board meetings and membership meetings with notice given as is practicable. Such notice may be given in any practicable manner, including publication, radio, United States mail, the Internet, public service announcements, and conspicuous posting on the condominium property or any other means the Board deems reasonable under the circumstances. Notice of Board decisions may be communicated as provided in this Article 3.5. A. The directors in attendance at such a Board meeting (if more than one (1) Director) shall constitute a quorum.

B. Cancel and reschedule any Association Board, membership or committee meeting.

C. Name as interim assistant officers persons who are not directors, which assistant officers shall have the same authority as the executive officers to whom they are assistants during the state of emergency to accommodate the incapacity or unavailability of any officer of the Association.

D. Relocate the Association's principal office or designate alternative principal offices.

E. Enter into agreements with local counties and municipalities to assist counties and municipalities with debris removal.

F. Implement a disaster plan before or immediately following the event for which a state of emergency is declared which may include, but is not limited to, shutting down or off elevators; electricity; water, sewer, or security systems; or air conditioners.

G. Based upon advice of emergency management officials or upon the advice of licensed professionals retained by the Board, determine any portion of the condominium property unavailable for entry or occupancy by unit owners, family members, tenants, guests, agents, or invitees to protect the health, safety, or welfare of such persons.

H. Require the evacuation of the condominium property in the event of a mandatory evacuation order in the locale in which the Condominium is located. Should any unit owner or other occupant of the Condominium fail or refuse to evacuate the condominium property where the Board has required evacuation, the Association shall be immune from liability or injury to persons or property arising from such failure or refusal.

I. Based upon advice of emergency management officials or upon the advice of licensed professionals retained by the Board, determine whether the condominium property can be safely inhabited or occupied. However, such determination is not conclusive as to any determination of habitability pursuant to the Declaration.

J. Mitigate further damage, including taking action to contract for the removal of debris and to prevent or mitigate the spread of mold, mildew or fungus by removing and disposing of wet drywall, insulation, carpet, carpet pad, baseboards, air ducts, cabinetry, any and all personal property or belongings of the resident or owner, including but not limited to furniture, clothes, mattresses, and all other fixtures on or within the condominium property, even if the unit owner is obligated by the Declaration or law to insure or replace those fixtures and to remove personal property from a unit.

K. Contract, on behalf of any unit owner or owners, for items or services for which the owners are otherwise individually responsible for, but which are necessary to prevent further damage to the condominium property. In such event, the unit owner or owners on whose behalf the Board has contracted are responsible for reimbursing the Association for the actual costs of the items or services, and the Association may use its assessment and claim of lien authority provided by Section 718.116, Florida Statutes and in the Declaration of Condominium to enforce collection of the charges. Without limitation, such items or services may include the drying of units, the boarding or other enclosure of broken or damaged windows, sliding glass doors, exterior doors, and the replacement of damaged air conditioners or air handlers to provide climate control in the units or other portions of the property.

L. Regardless of any provision to the contrary and even if such authority does not specifically appear in the Declaration of Condominium, Articles of Incorporation, or Association Bylaws, the Association's Board of Directors may levy one or more special assessments without a vote of the owners.

M. Without unit owners' approval, borrow money and pledge Association assets as collateral to fund emergency repairs and carry out the duties of the Association when operating funds are insufficient. This paragraph does not limit the general authority of the Association to borrow money, subject to such restrictions as are contained in the Declaration of Condominium, Articles of Incorporation, or Association Bylaws.

N. Corporate action taken in good faith to meet the emergency needs of the Association or its unit owners shall: (1) bind the Association, (2) have the rebuttable presumption of being reasonable and necessary and (3) may not be used to impose liability on a director, officer, or employee. An officer, director, or employee acting in good faith and in accordance with this Article 3.5 is only liable for willful misconduct.

The special powers authorized above in this Article 3.5 shall be limited to the time period reasonably necessary to protect the health, safety, and welfare of the Association and the unit owners and the unit owners' family members, tenants, guests, agents, or invitees and shall be reasonably necessary to mitigate further damage and make emergency repairs to the condominium property.

4. MEMBERS.

The Secretary may, but shall not be required to, search the Public Records of Sarasota County or make any other inquiry to determine the status and correctness of the list of members of the Association. B. A transaction from which the director or officer derived an improper personal benefit; or

C. Willful misconduct or a conscious disregard for the best interests of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor or in a proceeding by or in the right of a member of the Association;
